

EUROMEETING OVERVIEW

“Great opportunities for networking and good contacts for recruiting”

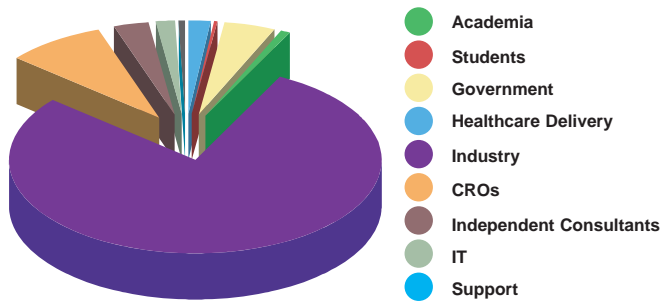

DIA’s 20th Annual EuroMeeting brings together more than 3,000 biopharmaceutical, contract service organization, academic research center, and regulatory affairs professionals from over 50 countries—making it Europe’s largest and most respected industry event. Europe’s annual flagship event offers timely and relevant session topics, continuing education, networking opportunities, and access to one of the largest exhibit floors in Europe.

This year’s event features:

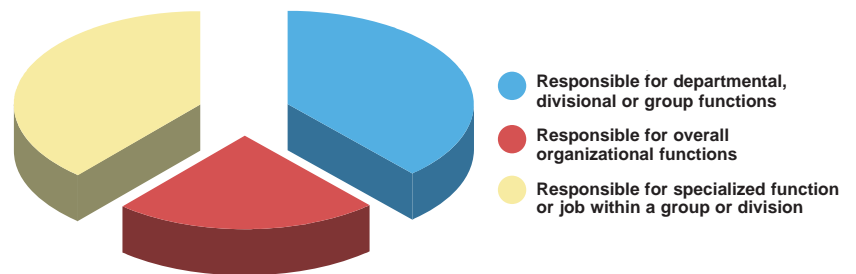

- More than 115 sessions in 11 themes
- 350+ speakers, including representatives from EMEA, FDA, and regulatory agencies throughout Europe
- 18 pre-conference tutorials
- Student and professional poster sessions
- Multidisciplinary networking opportunities
- Nearly 250 exhibiting companies
- Special European Regulatory Forum
- Japanese Regulatory Session
- Hot Topic Sessions
