

# 27<sup>th</sup> Annual EuroMeeting

*Development, Innovation, Access and Patient Safety*

13-15 April 2015 | Palais des Congrès | Paris, France

## DIA Patient Fellowship Programme

The DIA Patient Fellowship Programme is designed to do the following:

- Develop, strengthen, and support patient collaborations with policy makers, industry representatives, public health authorities, academia, and other healthcare stakeholders.
- Improve alliances between patient groups and other healthcare stakeholders
- Increase knowledge and understanding of issues central to the promotion of patient-centred healthcare, biomedical research, and drug development
- Provide a forum for sharing best practices, stimulating cooperation, and facilitating a two-way dialogue across the entire global healthcare community.
- Enhance the capacity of patient advocates to respond to changes in drug development and health care delivery
- Integrate the patient voice by attending EuroMeeting program offerings, roundtable discussions, and networking events.

## Who should apply?

- Applicant should be affiliated with a patient organisation
- Demonstrate track record of education and/or advocacy activities
- Patient engagement in or be familiar with activities related to clinical trials, drug development, HTA, regulatory affairs
- The business language of the conference is English. Patient Fellows must be able to understand scientific content in English and network with other attendees with ease

## How to apply?

- Complete DIA Fellowship Application.
- Provide a letter of reference on your role as a patient advocate (optional)

## Selected candidates are expected to:

- Attend all days of the conference
- Participate in Patient Fellowship activities before and during the conference, including representing patient advocacy at the patient booth
- Submit a poster/informational materials representing their disease area or association for display at the conference
- Provide feedback after the conference on their experience
- Following the conference, contribute to DIA in the following ways:
  - Contribute to an article for a DIA publication
  - Submit an abstract to speak at a DIA event

## Fully Supported Patient Fellowship (Limited number available):

- Complimentary registration to the conference
- One return economy trip, airline/train to Paris
- Maximum of three nights' hotel accommodation at a DIA assigned hotel

## Partly Supported Patient Fellowship (Limited number available):

- Complimentary registration to the conference

## About the EuroMeeting

Innovating and advancing towards service-oriented healthcare ecosystems:  
Find solutions at the DIA EuroMeeting 2015

Spanning the entire healthcare value chain, the DIA EuroMeeting 2015 offers three days of unbeatable networking, partnering and knowledge transfer opportunities. No other conference can deliver such a comprehensive array of stakeholders and fellow experts.

*“Three days of unparalleled networking opportunities.”*

The DIA EuroMeeting 2015 is a microcosm of the evolving European healthcare landscape. Build on your knowledge acquisition and leverage the opportunity to extend your network and business connections. Meet and engage with more than 2,500 professionals from the pharmaceutical industry, CROs, MedTech, Diagnostics & eHealth organisations and find solutions together.
